Fun in Marin IN THE GOOD OLD SUMMERTIME

Long ago they used to sing "In the Good Old Summertime". But what's so good about summertime these days, you ask? The annual FUN IN MARIN July Festival, that's what. The theme is sort of "Gay Nineties", but the dancing will be strictly the kind you enjoy.

The weekend fun fest starts Friday, July 11, with the warm-up party put on by the Kopachkas at Park School, Mill Valley, 8:30 to 12 PM.

Saturday is the day you should hop in that Merry Oldsmobile and come back to Park School for the 1:30 Federation Institute. Then stay over after dinner (check the restaurant menu display) for dancing at the same location. Balkan hour 7:30, folk dancing 8:30 to 11:30.

Sunday is the big day. Sunday afternoon be sure to come on time (1:30) and join in the Grand March, led by the Kopachka Band, followed by a circle dance called by Bill Landstra. Put on your duster and goggles, heat up the Stanley Steamer, come to the College of Marin gym in Kentfield and join in the fun. Council Presidents' meeting is at 10:30, Federation meeting is at 11:45, and dancing and exhibitions 1:30 to 5:00.

Then it's out for dinner (check the restaurant menu display again) and back to the gym for more dancing and exhibitions, 7:00 to 10:00.

We'll be looking for you!

The details of this elegant ensemble are beautiful. Many hours of hand sewing are needed to stitch down the many yards of narrow gold wrapped cord needed in each design. Often the beginning and end will start in the same place, but from there on it proceeds like a grand march. The cord will double back so it looks like two cords, or maybe four, and then suddenly there is only one single cord along one edge or in the middle of a design. (Fig 1 on pg 6) The heavier flat braid has the gold only on the top, so no expensive gold is wasted where it can't be seen; cotton thread is on the bottom half.

The blouse is of a fine silk, plain weave and with woven stripes, in a light yellow gold color. The pattern pieces are

cut in block style (Fig. 2), with a slit type front opening, and only the front and back panels being in plain weave. The neck edge has a half inch wide band, a little like a stand-up collar, heavily embroidered with small cross stitches using a two thread count in black, very

dark green, and very dark blue and gold flat wire in a slant stitch (Fig. 3). The center front is decorated with matching embroidery and is closed at the neck with a hook and eye.

The short jacket is of a midnight or very dark blue wool and is elaborately decorated with gold covered thread (Fig. 4). It appears as if each pattern piece is decorated and then sewn together by hand, leaving the sleeve seam and the side seam to be sewn last. There is no gold decoration on the lower edge in the back. The jacket is lined with a heavy muslin.

SLEEVE

The sleeveless coat is of the same fabric as the jacket but is more elaborately decorated (Fig. 5, next page). The coat is worn over the jacket. In addition to the gold covered thread, a gold half inch braid, a 1/8 inch red braid, and a 1 3/8 inch gold metallic ribbon is used. Along one edge a gold cord and a red cord were twisted together to make a red and gold cord. Eighteen gold wire covered oval balls decorate each side of the upper center front edge. The coat is lined with a red plaid cotton fabric, and the upper front is lined with a dark brown wool. The three tassels on each side are of silver and make a lovely contrast for the blue and gold that is so predominant.

The skirt is of the dark blue wool, reaches the ankles, and is not very full. There is no decoration on the skirt.

Presumably the jacket and coat were not meant to be cleaned, as cardboard was used as the stiffening behind the gold designs and around the edges.

LOST & FOUND

PHYLLIS OLSON, President of the Greater East Bay Council, is still holding a man's straw hat and a pair of lady's blackringo shoes found at the Treasurer's Ball in Hayward last year. Also, at the recent Beginners Festival, she found an umbrella. If you are the one who lost any of these items, call her at 351-7338.

A Look at

International Ballroom Dancing

by Elizabeth Lady Stevens

Is *International Ballroom Dancing* all that different from *International Folk Dancing*? Quite different, in fact it is not the same as American social dancing, either.

What is now known as "International" in the United States or "Imperial" in some other countries actually started in England. Early this century the people there were enjoying their so-called folk dances, such as St. Bernard's Waltz, Eva Three Step, Cumberland Square, and Canadian Barn Dance. Gradually the English dancing public in the cities, especially London, made the change from sequence and set dances to couple dances during the years of the First World War. This was followed by the jazz craze of the twenties and the swinging years of the thirties.

For a number of years fad dances came and went until some English dance teachers decided to standardize a few basic steps and to clarify good technique. Great progress has been made during the last 50 years until today the English style, or *International Ballroom Dancing*, is regarded as classic throughout the world. For competition purposes it is divided into two categories: Latin, including cha-cha-cha, rumba, samba, and paso doble; and Modern, including Waltz, quickstep, foxtrot, and tango. (Swing and Viennese Waltz are sometimes included in competition.)

Those wanting to learn this kind of dancing soon find that it is more difficult than ordinary social ballroom or most folk dancing, and that it would take years of study and practice to

perfect their form. However, novices can learn the basic steps of most of the different dances in either class or private lessons and soon can enjoy the challenge of participation. Couples practice in large ballrooms of dance studios or private clubs.

World-wide interest has resulted from the recognition of International Ballroom Dancing as a truly great indoor sport and recreation. A movement has started to get it approved for competition in the Olympic Games. As a competitive sport it has already aroused great interest in many countries. Those in the British Commonwealth were originally the most enthusiastic in building dance champions, i.e., Scotland (England), Ireland, South Africa, Australia, New Zealand, and Canada.

In Europe most of the Western countries are now involved, such as Germany, Austria, Holland, Denmark, Norway, and Sweden. Interest in ballroom dancing is also increasing in the eastern countries of USSR, Hungary, Czechoslovakia, and Yugoslavia. Participation is high in countries as far away from England as Japan, Ceylon, Indonesia, and Iceland.

Truly International in scope are the world championships which are scheduled every other year in London while competition is held on alternate years in such leading cities as Berlin, Zurich, Sydney, Tokyo, and New York. The 1975 U.S. Ballroom championships are scheduled for the Labor Day weekend at the Waldorf-Astoria Hotel in New York. At the peak of the pyramid of world dance competition is the Blackpool Dance Festival, which includes the World Congress, held every year in May in Blackpool, England, and attended by thousands of participants and observers. This year the festival will celebrate a half century of competition on the highest level of ballroom dancing perfection.

Americans are the most enthusiastic ballroom dancers of all outside of England itself. More than 25 competitions are held each year in the United States in Arizona, California, Florida, Illinois, Michigan, New York, Texas, Utah, Virginia, and Washington, D.C. California heads the list with the most active dancers and the most ballroom studios and private dancing clubs. In northern California the two leading ballroom studios are the Hinton-Pick and Renaissance Ballrooms, and members of the Peninsula International Dance Club have been practicing weekly in Redwood City for ten years. In southern California there are several ballroom schools, including Cully's, Lexton, Margaret Michaels, Morgan, Sloan, and Webber-Sire, and Westmor.

A large California dance club is called the National Smooth Dancers with 600 members divided into 11 chapters in the following areas: San Diego, Coronado, Fallbrook, Long Beach, Los Angeles, San Fernando, Bakersfield, Fresno, San Jose, Oakland, and San Francisco. This popular club originated in Los Angeles about 35 years ago and practiced the "slicker" or smooth style. About 12 years ago they gradually began to learn the International style until most new members have converted.

Californians like to dance and fortunately they don't have to choose between International Folk Dancing and International Ballroom Dancing. Those with the time and energy can enjoy both!

Second Photo: "Retired Rhona Pick and Roy Hinton are shown here in latin costumes as they perform for an audience of dance enthusiasts. For competition the Latin category includes the cha-cha-cha, rhumba, samba, and paso doble while the Modern group includes the waltz, quickstep, foxtrot, and tango.")

SPOKANE'S SILVER SPURS
EUROPEAN PERFORMING TOUR - SUMMER '75

SPOKANE'S SILVER SPURS will be making their second trip to Europe during the summer of 1975. Their departure date is June 15 and the group will go by taking a charter flight from Vancouver, British Columbia.

The Silver Spurs will travel by chartered bus as they perform in Scotland, England, France, Switzerland, Austria, Germany, and Hungary.

There will be 14 young ladies and 13 young men from the area schools making this trip. The tour will be 5 weeks in length & will be educational as well as performing. Each dancer is studying to qualify as an expert on one country as well as being well read on all the countries to be visited.

The Silver Spurs have a number of new costumes. The girls have new square dance dresses and lovely new formal gowns for the waltz numbers. European audiences are especially fond of these dances as well as other American, Mexican, and South Sea dances.

We are pleased to add some new talent to our group - an accordion soloist from Whitworth College, a young lady who performs Polynesian and Hawaiian dances with beauty and grace and a young man who presents an exciting and colorful group of gymnastic interpretive dances.

The Silver Spurs were originated in 1947 and have been directed by E.S. "Red" Henderson since that time. Adult advisors chosen to make this trip are Mrs. Virginia Wakefield who serves as office manager for the Silver Spurs and Mr. Don Baggarley who is also in charge of sound and production equipment.

Deadline for the September issue is
August 1, 1975

BEGINNERS FESTIVAL

With more than 250 dancers in attendance the April 6th BEGINNERS FESTIVAL can be termed as a BIG success.

Dancers from as far as Sebastopol and Santa Rosa on the North, and Modesto and Turlock to the south were at the Bancroft Jr. High in San Leandro to test their skills with the Beginning and Intermediate level dances presented by the East Bay Council. Among the new dancers were a number of more experienced dancers, including 19 teachers, 5 Federation Past Presidents, and 5 current Federation officers. When Stan Valentine called, there were 20 squares packed on the floor with enough spectators for another 10 squares had there been enough room on the floor.

Active dancers ranged in age from WENDY ZAFREN (10) to RAY OPPER and ROY PARTRIDGE (86).

All of this points up a need for each council to rethink their party and festival schedules to include more for the beginner and intermediate dancers. The more experienced dancers need their continuation parties and festivals but to keep the less experienced dancers satisfied there should be more dances at their level.

LET'S HAVE MORE OF THE SAME!

TEACHER-DANCER SEMINAR

Our Spring '75 TEACHER-DANCER SEMINAR held at the Commodore Sloat School in San Francisco on March 16 and April 27 was very enthusiastically attended.

The opening session included a get-together round table discussion of various class situations, problems, and possible solutions.

After the coffee break, groups of 8 or 10 met in separate rooms and those who wished were extended the opportunity to teach a part or complete dance, using their own procedures and methods.

At the end of each teaching period the participating students joined in making comments and offering helpful suggestions to the teachers.

Each group was under the guidance and supervision of at least two experienced teachers.

Following the catered luncheon and rap sessions, everyone gathered in the auditorium for a presentation of Folk Lore and historical background with a master lesson on Hungarian dances by Anthony Ivancich at the first meeting and Russian, Yugoslav, and Greek dances by Anatole Jakowsky during the second meeting.

At the close of the second meeting all attenders were afforded the opportunity of listing in writing their reactions and

comments together with suggestions and recommendations of changes, additions or improvements to be considered for inclusion in our next seminar.

The committee has tabulated these suggestions and is most appreciative of the cooperative response from the students as these will be the format guide for our next seminar to be held in Spring '76, for which we already have several people registered.

Ample publicity is being planned so that all those interested will have plenty of advance notice.

Our sincere thanks to our chairmen, DEAN and NANCY LINSKOTT and their hard-working committee for an excellent presentation.

FALL CONCERT

We are pleased to announce our first fall concert of International Folk Dances to be presented Saturday Nite September 27, 1975, from the stage of the beautiful San Mateo High School Auditorium at Delaware and Poplar Streets in San Mateo.

The program, which starts at 8:00 P.M. and open to the general public, will include live music and choral presentations under the auspices of the Folk Dance Federation of California and the Performing Arts for Youth Society in cooperation with the San Mateo Union High School District.

Eight hundred of the 1600 available seats will be offered to our folk dancers and their friends at \$2.00 each through our council and club presidents.

Distribution of tickets will be made by our Vice President, RAY OLSON, on a first come basis, approximately July 1.

The school district has indicated their allocation of 800 tickets for the General Public has almost already been spoken for, so please make your reservations early.

Immediately after the concert, approximately 10:00 P.M., we will move across the way to the Girls Gym for our After Party of dancing to live music and records until midnight.

Admission to the After Party will be by concert ticket stub or a \$1.00 charge.

Come prepared for a full evening of fun and entertainment and watch for later flyers including directions, parking facilities, ticket sales locations and other information.

This is our first fall concert, separate from Statewide, and judging from all the excitement and interest already being generated amongst our Folkdance Friends, and based on the favorable comments from those who have seen the lovely facilities selected for this presentation, it assures of a most enjoyable evening of fun for all.

ŚWINIOK

(Poland)

Świniok (SHVEEN-yawk) comes from the mountainous region of Beskidy in the southern part of Upper Silesia in Poland. The name of the dance derives from a song. The word "Świniok" (Silesian dialect for "Świniarz") means a swineherd. The same dance appears in other parts of the Beskidy region under different names. The dance was introduced to California dancers at the 1974 University of the Pacific Folk Dance Camp in Stockton, California, by Ada Dziwanowska, who learned it in Cieszyn, Poland, from a noted Silesian folklorist, Janina Marcinkowa.

MUSIC: Record: Tańce Śląskie 7167, Side B, Band 2.

FORMATION: Cpls in open pos facing LOD with outside hands free at sides, or M may place hand on his lower back, palm facing away from body.

STEPS: Polka: In this dance the same as the Two-step* with no hop,

SHECHARCHORET

(Israel)

Shecharchoret (sheh-har-HO-ret) is a couple dance choreographed by Ya'acov Levi to traditional Ladino music. The name means "The Dark One". The dance was introduced at the 1974 University of the Pacific Folk Dance Camp by Schlomo Bachar.

MUSIC: Record: Hadarim IV "I Remember...", Side B, Band 6. Meter 4/4

FORMATION: Cpls in a circle facing LOD, W to R of M, standing close together with inside hands joined and outside hands free to move with the flow of the dance.

20 STEPS & STYLING: Yemenite Step - Yemenite L: Step sdwd L on L bending knees (ct 1), rock onto R in place with knees straight (ct 2), step L across in front of R bending knees (ct 3), hold (ct 4). To dance a Yemenite R use opp ftwk.

Three-Step Turn*

There should be much communication between the cpl (eye contact) as Shecharchoret is a very romantic dance. The "hold" cts are most important. They make the dance more dramatic.

Ftwk is described for the M. W do opp except in Fig III where the ftwk is the same for both M and W. For ease of understanding the dance is written in cts instead of meas.

SOUTHLAND

FROM THE

VIRGILEERS

By Perle Bleadon

THE VIRGILEERS during the past several years have had many outstanding parties, but their "International Folk Dance Party" on April 15th, which had more the atmosphere of an "International Music Hall", is probably one of their more outstanding and unusual.

Our special guest on that evening was the lovely and talented *colora tura* from the Philippines, ROSITA LA BELLO, who recently made her local operatic debut in "Madama Butterfly". She delightfully entertained us with a few international songs, including two songs from the Philippines. Her charm and singing so captivated the folk dancers that she received a standing ovation at the close. We wish her continued success in the operatic and concert field.

CECILIA CELLES, a very talented pianist, also from the Philippines, accompanied the singer in a truly professional style.

CLAY GLADSTONE and JOE DUBIN did a beautiful job of decorating with posters from many lands.

And, of course, none of our parties is complete without the unusual decorative and gourmet touch that our own JOSEPHINE CIVELLO gives to the refreshment table, which also carried out the international theme.

The Virgileers JOSEPHINE & TONY CIVELLO, SALLEE RUETH ROSELLE KINTZINGER, KAY & AL DOBRINSKY, INEZ TAYLOR, LEO STOWERS, LEROY WENDT, PAT PATTERSON, THE MEDINAS, MR. & MRS. IRA WOLF, ELSA & RALPH MILLER, MONICA & ROY JOHNSON attended the recent STATEWIDE Folk Dance Festival in Santa Maria - and what a weekend it was! I don't believe I've ever seen such wonderful exhibitions as we saw this time. If you have never attended the famous rib barbecue in Guadalupe you should make this a must on your next trip, but reservations are needed. The rolling hills, beautiful countryside, rich farmlands, and friendly hospitality of the people in Santa Maria were truly appreciated by the smog bound Virgileers of Los Angeles -- Viva Santa Maria!

WHAT'S DOING AT SILVERADO

THE SILVERADO FOLK DANCE CLUB participated in the LONG BEACH HOBBY SHOW in the new arena, April 28th, 19th, & 20th. The exhibition group under the direction of DOROTHY DAW, gave a performance, on stage, each day to a large and enthusiastic audience.

The folk dance costumes and art displays in our beautifully decorated booth attracted considerable attention and many were interested in learning folk dancing. Our members on duty in the

booth handed out fliers and took this opportunity to tell about the benefits of folk dancing as an excellent hobby.

Many of the Silverado group attended Statewide and had a wonderful time. The GRAEBERS will travel up to San Francisco before returning to So. California. DOROTHY DAW will be teaching many of the dances learned at the Institute.

MEMORIES OF ISOMATA

THE IDYLLWILD BACCHANAL held Saturday evening, May 3, at West Hollywood Park was another successful, fun-filled evening. Attendance was very good, enthusiasm high, and the well-programmed event had most of the dancers on the floor most of the evening. Receipts from the event were used for the Scholarship Fund.

The Committee for the Idyllwild Conference wishes to thank everyone for their attendance and participation. They are grateful for all donations of door prizes and refreshments.

By the time this comes off the press, another successful Conference will have taken place in beautiful Idyllwild. Idyllwild Chairman VIVIAN WOLL was attending the celebration in honor of MAX KRONE at Isomata; therefore she could not be present at Statewide.

SAN DIEGO AREA NEWS

AMONG OUR FRIENDS....MAUDE SYKES is recuperating from major surgery. MILLIE CALKINS went back East to attend her father's funeral. Condolences are extended to Millie and her family. Thank you to JOE KIRCHER for filling in for ISABEL DEAN this month. If you want to know how not to pull the cord on your drapes --- ask RONNI SANTALO --- she fell over a couch and hurt her back. AL DOBRINSKY, Past President of Folk Dance Federation, South, writes from Cleveland that he expects to see many of his friends in the near future after stops in Detroit, Denver, and other cities on the way. THE CABRILLO FOLK DANCERS have awarded full scholarships to: HELEN LENYK, JO ULSTAD, JAY MATTISON, and MARY MACHULAK. The weekend scholarship recipients are PAMELA REYNOLDS & JOHN GUARANO. Thanks to FLORA CANNAU for inviting her cousins from Basil, Switzerland to a Sunday afternoon dance and having them give an exhibition of Swiss folk dancing for us.

Tuesday class held a birthday party for VIVIAN WOLL. The dance program presented by M.C. PAT COE was enjoyed by all, as were the homemade goodies brought by the dancers. Wednesday class moved from the Recital Hall to Balboa Park Club Building. Welcome back to JEO STOWERS who threw away his crutches to dance with us again. WIN BELLOWES was seen doing the Polka after a serious operation. LEONARD G. WALDEN is recovering from a hernia operation. ANN FARRELL is still recuperating from her fall. CHIP MOON is doing fine and plans to be back to work

soon. Watching MICHELLE PELCZAR dance now, no one would know she had undergone surgery recently.

KARL KOCHISAN organized a dance party in March. It was a delightful change -- everyone had a good time. The orchestra was great and so was the food plus a bonus of fine folk songs by ISABEL MUELLER & VICKI MAHEU. TERRIE STARKE did a delightful belly dance and thank you, David, for being a good sport.

ELIZABETH ULLRICH and MAUDE SYKES appeared at Statewide and participated in many of the activities as well as greeting many of their friends.

ROYAL SCOTTISH COUNTRY DANCE SOCIETY

From all reports, the Santa Maria Weekend was a great success!!!! MARY BRANDON, STEWART SMITH, & BILL IRELAND from London contributed along with AUDREY SILVA and other people from Santa Maria to make it a wonderful weekend.

This was a great occasion inasmuch as it honors the 10th anniversary of the founding of the Los Angeles Branch.

The Branch said farewell to WAYNE GUNDERSON with a luau in his honor recently - he will be moving back to his native land, Seattle. Wayne had been awaiting the appearance -- as have all of us -- of MISS JEAN MILLIGAN, before leaving this area.

Miss Milligan was a joy to behold at the party held on May 3rd. Among the dances that evening - was, of course, *Miss Milligan's Strathspey*. Miss Milligan was greeted by many of the dignitaries of Santa Monica --- and she was presented a lovely gift of placemats depicting the California scene. Some of the dignitaries were: MR. LAURENCE WEBB, Deputy Consul General of Great Britain, MRS. CLO HOOVER, former mayor of the City of Santa Monica, and MR. ROBERT REOCH, Chairman of the Board of the United Scottish Societies, and MRS. REOCH. MR. BILL WILSON, Chairman of the newly-created San Diego Branch presented Miss Milligan with a lovely bouquet of carnations and read a message of welcome from San Diego's mayor.

WESTWOOD CO-OPERATIVE FOLK DANCERS

WESTWOOD'S 30th Anniversary Festival is now over and we did have a wonderful time - as usual. Next on our calendar - Party night with an Oriental theme-then Participating Members' Party and then our yearly Festival on the West Los Angeles Mall!

DAVID COHEN, Editor-Publisher of the BULLETIN takes Sabbatical. In August of 1973 David Cohen took over the reins of the Westwood Bulletin. Last month, David decided he needs a rest. JOE DROHER is now editor of the Bulletin and he has dedicated his first issue to David.

Westwood gave five tuition scholarships to Folk Dance Camp-winners were: GLORIA HARRIS and EILEEN MELLMAN, Newcomer category; BETTY CEPLAIR, Service; and MARILYN FARMER & MARGERY NICOLSON, Teaching category. To the lucky winners, "Enjoy! Enjoy!"

and bring us back some good dances.

Elections were just held: Our officers are: BEVERLY BARR, President; MILTON SKOLNIK, Vice - President; MARILYN FARMER, Treasurer; GLORIA HARRIS, Recording Secretary; and BOBBIE LECHTICK, Corresponding Secretary.

AMONG OUR MEMBERS:

ANNETTE NEEDLEMAN is home recuperating from recent surgery. ED FELDMAN and PERLE BLEADON are home from Hawaii -- where they had a great time - like going up in a glider -- 2500 feet above land and water and dancing with the HONOLULU INTERNATIONAL FOLK DANCERS -- leaders PAULA, GEORGE, & LARRY whom we expect to see at San Diego Folk Dance Conference.

As of Sunday, April 20th, little LISA KORN acquired a baby brother. Proud parents, BARRY & HELENE, have named the future folk dancer ADAM DANIEL. Congratulations! Best Wishes to CHARLOTTE COLE AND DON HALL on their recent engagement. MILLIE LIBAW is in Budapest --- doing her thing --- teaching dances. Welcome aboard to JIM KAUMEYER, new member of Westwood.

DAVE KADANSKY is on the road to recovery following open-heart surgery - in fact Dave appeared at our last Council Meeting and received a rousing welcome from us all. The doctors performed a by-pass operation using a section of artery from his thigh --- with the promise of total recovery. After all, Dave must do his folk dancing and his beloved Scottish Country Dancing. He came through with flying colors. Incidentally, Dave was a captain in the Air Force during WWII and saw action in the European theater. He kept active in the reserves, even though he still got airsick. Recently, he retired from the Air Force Reserve with the rank of Major.

Westwood's active member GERRY GORDON, recently lost her mother, FANNIE COHEN, as the result of a fall. Mrs. Cohen had reached the age of 86 without ever having been in the hospital--except for the birth of her children. We extend heartfelt sympathy to Gerry.

A large contingent of Westwood members attended Statewide. We all had a wonderful time greeting old friends, dancing, and having fun; Santa Maria's hospitality, good climate were enjoyed by all.

BOBBIE & MORRIE LECHTICK (Morrie is a past prez of Westwood and Vice-Prez of the Federation) decided to take a well-earned vacation -- after his arduous task of presiding over the Federation Installation Brunch, -- well done, Morrie -- and went to Hearst Castle and points north with twice past president of Folk Dance Federation of Calif. South and his KAY; AL DOBRINSKY that is. Bobbie & Morrie wanted SHEILA (Federation Prez, South) & HENRY RUBY to go along with them on their vacation along with Kay & Al, but all Sheila wanted to do was go home, and rest -- which she is trying to do -- what with all the phone calls, etc.

(Excerpts from Westwood Bulletin, Joe Droher, Editor)

MOSHIKO draws a good crowd, as usual!!!! Moshiko's teaching in March was evidently enjoyed by all, judging from the favorable comments of those who were there. LIL DePAOLI is President; GWEN HEISLER, Vice-President and Treasurer; BERNICE HINK, Secretary; and BEE THOMAS is Assistant Treasurer. Congratulations are in order for PAT and HUGO PRESSNALL, popular teachers at BERKELEY FOLK DANCERS and members of the KOPACHKA DANCERS; they just celebrated their 30th wedding anniversary.

We will have a FOURTH OF JULY FESTIVAL after all. PHYLLIS has secured the AAHMES SHRINE TEMPLE at 3291 School Street in Oakland. Dancing will be in the afternoon from 1 - 5:30 PM. A special invitation is being made to beginners; there will be 1 beginner dance or one progressive dance in each set of dances.

SACRAMENTO FOLK DANCE COUNCIL

THE LEFT FOOTERS were host at the Installation Ball where we all said a very big thank you to the outgoing officers and congratulations and good luck to the new officers: Pres. OSCAR FAORO; Vice Pres. MILLIE LA ROSE; Treas. JOHN ALFORS; Sec. ALICE NEEDHAM; Director of Extension WALT FAORO.

On June 27 through 29, many members headed for the Sierra Mountain event at CAMP SACRAMENTO for a week-end of recreation. The main activity of course was folk dancing, but hiking, horse shoe throwing, ping pong, and volleyball were also part of the fun-filled time of this annual event.

We will be dancing on the Village Green of WILLIAM LAND PARK July 7 until August 29. Instructors for the week nights are: Monday nights; LAWRENCE AND VERA COULTER teaching intermediate and advanced folk dances. Tuesdays; HANK and MILLIE SHONERD teach beginning and intermediate line, couple, and big circle dances. Wednesdays; WALT and CLEO BALDWIN teach beginning and intermediate. Thursdays; BRUCE and DENISE MITCHELL - Balkan and line -- no couple dances. Friday; MARVIN and ARDITH BLANCHARD -- contra dances. Do join us for the delightful experience of dancing under the stars.

The Scholarship Committee has selected three outstanding people; SYLVIA WOOSTER, ROSEMARY SOUZA, and PEGGY WILLIAMSON. The scholarship pays for a week at the STOCKTON FOLK DANCE CAMP this summer.

EVELYN PREWETT, instructor of CIRCLE SQUARES since 1972 will

be leaving Sacramento to live in San Diego to be nearer to her daughter and grandchildren. Many of you may have met Evelyn at Stockton Folk Dance Camp or at conferences at Santa Barbara or San Diego. Returning to San Diego she will not be an outsider since she was a member of the SAN DIEGO FOLK DANCERS and VILTIS EXHIBITION DANCERS from 1949 to 1955. Sacramento folk dancers have honored Evelyn at two ceremonies: a Saturday night party where her paintings were exhibited as part of the decorative scene, and a brunch at the Sacramento Inn when 22 people said good-bye and gave her a pewter bud vase and a corsage in appreciation of her teaching and her friendship. We shall all miss Evelyn and wish her good luck in her new experiences.

PENINSULA COUNCIL

If you recently started an evening not knowing where you were going, weren't quite sure how you got there, but were sure that you had a delightful, memorable evening, you were in line if the Redwood City DOCEY DOE CLUB's famous "Secret Safaris". "Une Soiree Sans Souci" was planned by BOB AND MARTI EDWARDS, SY AND SHIRLEY GOLDBERG, and BILL AND MARY DUNCAN. A rendezvous under an ultra-violet light clued the party to a wine and cheese tasting party at Hillsdale Mall where another map sent them on to St. John's Armenian Church in San Francisco for dinner. As if that weren't a full evening, they were led on to a really great evening of dancing with the CAYUGA TWIRLERS in their new hall at the Lakeshore School. Of course, CHARLIE FREY and JOE COPP of the Cayuga Twirlers worked with the committee and were prepared for the sudden increase in numbers. When you think the Docey Does have planned the ultimate party, they manage to top it somehow!

FRESNO FOLK DANCE COUNCIL

The FRESNO COUNCIL'S annual White Elephant sale was a great success... Many guests joined members in a potluck dinner preceeding the auction, which was conducted by Pres. JIM KEARNS and KEN WRIGHT. The money raised, of course, is going for our October Festival, which we are already planning.

The FRESNO SCOTTISH DANCE SOCIETY held its annual picnic in Burris Park, near Kingsburg. The weather was perfect for outdoor dancing, and the food was delicious. There were bagpipes and kilts, and these, along with the dancing, caused many people to draw near, to watch and ask questions. Host TOM SLAVEN provided song sheets for a "Sing-along" session too. Dancers came from a wide area (Oakhurst to Monterey). The Scottish class continues to meet on 2nd Sundays and welcomes anyone interested.

KILKA SARENA BALKAN DANCERS participated in the annual concert of the FRESNO CIVIC ETHNIC DANCERS. Too bad not all the participating groups are as careful in their costuming and styl-

ing as this group. One or two numbers should be labelled "Character Dances" I feel, and be relegated to dance studio recitals.

MARCI PHELAN and KATHY HINDEMAN organized a miniature festival at FRESNO STATE UNIVERSITY that was so successful it has been suggested that the event be repeated monthly. A number of dances were taught to the enthusiastic crowd by Kathy, Marci, KATHY LASKI, and VERA JONES. Sarena Kilka Balkan Dancers presented several exhibitions. It was with pleasure that we noted visitors from as far as Mariposa (PEGGY ESKANDER), Three Rivers (HOWARD SCHAINBERG) and Southern Cal (LOGAN HUCKABEE).

REDWOOD FOLK DANCE COUNCIL

HAROLD REEVES' seventy-fifth birthday was truly a happy one; RUTH surprised him with a delightful party, with guests the SUNNYSIDE FOLK DANCERS. Harold has given much to folkdancing and folkdancing has enriched his life as it does the lives of all of us. Belatedly, all of us wish you, Harold, many more happy years of life and dancing!

WENDALL SCHAAL, CHARLES EMERSON, and Council President EVAN SPRAGUE met recently to discuss teacher training; they contemplate making a teacher training manual to help dancers interested in teaching to decide whether or not they could qualify as teachers and would enjoy teaching. There is always a need for new teachers with refreshing ideas, and it is good to know that some of our good people are doing something about recruits and encouragement.

BOB and MARY PAULEY, who were members of PETALUMA INTERNATIONAL FOLK DANCERS several years ago and were dancers popular and supportive with all of us, have sold their home in San Rafael and moved to Carmichael. Their address is 3303 Vienna, and all dancers will find their home there as hospitable as their home here; they often entertained us in their home and are always happy to have us as drop-in guests -- they will be ever so lonely for us some time!
