

## Ankeliini

(Finland)

Ankeliini (AHN-keh-lee-nee) is a 19th century couple dance from south Finland. It was taught by Jussi Aronen and Lennu Yläneva at the 1999 Stockton Folk Dance Camp held at the University of the Pacific.

CD: 1999 Tanhukurssi Band 8. 2/4 meter  
This recording has music for a five-cpl longway set.

Formation: Five couples in a longways set: Dancers in 2 parallel lines with ptrs facing. M have L shldr twd head of hall. Hands are at sides.

Steps and Walk: One step to a ct, 2 steps to a meas.  
Styling:

Butterfly Position: Face ptr and join hands straight across, palm to palm. Stretch arms out to sides about shldr level, with elbows slightly bent.

Slide-Close (2 to a meas): Usually danced sideward. Slide ball of advancing ft sdwd, taking wt (ct 1); close with the trailing ft (ct &); repeat cts 1,& (cts 2,&). Step repeats exactly. This is the only step in the dance where the starting ft is crucial. It should be sdwd in the direction you wish to travel (opp ft from your ptr). When moving to L start with L ft; moving to R, start with R ft.

Head Couple: Cpl at the end of set nearest the head of the hall.  
Foot Couple: Cpl at the opposite end of the set
