In a Little Pub

In a little pub, in a small port
Where the wine is red and sparkles
In a little pub the three women set
With a captain who has a wooden leg

And the captain said, it doesn't matter
A ship will carry me tomorrow to sea
Tomorrow to the blue sea

The third trimmed his mustache
In a little pub the three of them sat
With a captain who has a wooden leg

(And the.....)

Then a bridegroom took one from the little pub
On a wooden motorcycle
Only two were left in the smoky pub
With a captain who has wooden leg

(And the.....)

To the quiet pub a magician entered
And turned the second to a hawk
And in the corner only the third was left
With the captain who has the wooden leg

(And the.....)

The captain got angry at the third one
And he broke his glass on the table
In a small pub with head down
He was left only with a wooden leg

(And the.....)
