Bourrees Bourbonnaises

(France)

Bourrees Bourbonnaises (boo-RAY boor-buh-NEHZ) is a suite of three dances from Bourbonsais. This ancient province of France (actually the department of L’Allier) is located southeast of Berry. While there are similarities in music and pattern with the bourrees from Berry, the style is quite different. Each figure in the suite has named with reference to a dance pattern from Berry. Germain Herbert learned these dances from Veronique Esvan at the Heritage 1991 International Festival, Cornwall, Canada. Germain presented this suite at the 1993 University of the Pacific Folk Dance Camp.

CASSETTES: North/South Teacher’s Seminar, G. Hebert, 1992 Side B/4; Chants et Danses des Provinces Francaises, G. Hebert Stockton 1993 Side A/5.

FORMATION: Couples in longways formation*, partners 4 or 5 ft apart.

STEPS: Bourree Pattern (4 meas to complete):

Meas 2: Step R,L,R on the spot (cts 1,2).
