This index was prepared by the Dance Research Committee of the Folk Dance Federation of California, Inc. It covers dances published in the first *Index and Pronunciation Guide* published in 1976, the *Supplement* published in 1988, and dances published in *Let's Dance* from 1988 through December 2003. Additional research has been done to confirm and standardize spellings and pronunciations. This Guide supercedes both other documents.

We are grateful to Dance Research Committee members from both the Federation North and Federation South who worked on this guide:

Elsa Bacher	Bill and Louise Lidicker	Joyce Lissant Ugglä (Chair)
Laura Bremmer (South)	Suzanne Rocca-Butler	Carol and Bill Wenzel
Edith L. Cuthbert	Ruth Ruling	Teddy Wolterbeek
Dorothy Daw (South)	Loui Tucker	Bob Young

and to all the previous members of the committee who contributed over the years. We also wish to thank Larry Miller and Joyce Lissant Ugglä for the many hours they spent on computers compiling and formatting this information.
