## LITHUANIAN QUADRILLE

(Lithuanian)

This Lithuanian quadrille was taught to Millie von Kinsky by the Kienitz family, who are now living in Oakland. The dance has been handed down in this Lithuanian family for more than three generations. It is customarily danced at weddings and other festive occasions. The musicians always play a traditional melody. The music listed here was chosen after a great deal of research and consideration.

MUSIC: Record: Harmonia H-1107B "Lithuanian Polka."

FORMATION: Four couples in square formation.

STEPS: Slide\*, step-hop\*, skip\*, Lithuanian polka: hop, step, step, step, keeping ft. close to floor, as in a light running step.

NOTE: M begin L ft., W R ft., in every figure of the dance. All steps are light and "bouncy."
