After Party - 11:30

Statewide 1984 'Bavarian Holiday'

May 25, 26, 27, 1984

SACRAMENTO, CALIFORNIA

The following is a brief summary of the events that will happen during our STATEWIDE FESTIVAL.

To get us all in the mood for a great weekend, we are starting with a Warm-Up Party Friday evening at Robertsons Dance Studio. The Immigration and Naturalization Services Band of Sacramento, will play during the evening program and the After Party. All the dance programs this year are 50% couple and 50% non-partner. According to the program selection committee, we should be able to dance 70 to 80 per cent of the time.

Saturday afternoon's Institute will have as teachers, two of Sacramento's finest. Bruce Mitchell will be teaching couple dances, and Drew Herzig will be teaching non-partner dances. You won't want to miss this event.

The most exciting event this year is the addition of two Kolo Parties to be held on Saturday and Sunday nights starting at 8:00 PM, in the Memorial Hall at the Auditorium. These parties will be all-request programs.

The Installation Brunch on Sunday morning is a fun time for everyone. After a delicious brunch, there will be the Installation of Federation Officers, both North and South for the year 1984-1985. Please consider attending this event.

Sunday afternoon's Concert will feature ten groups performing dances that have not been seen here in Sacramento.

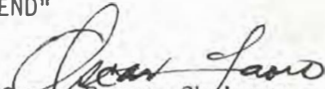

We urge you to pre-register early. It will save you a few dollars, but most important, it will allow the Registration Committee to have your name badge printed in advance. This will save you having to wait in line to have this done when you pay at the door. Everyone dancing on the floor must be wearing a badge.

Directions to Robertsons Dance Studio: Take Highway 99 South to the Fruitridge Exit, (west) to Franklin (first stop light), turn left to 33rd, and go left again. Robertsons Dance Studio is down toward the end, on the right.

Barbara Malakoff and Donya Wicken are the owners of Sacramento Sightseeing Service. They have agreed to help by offering Shuttle Service from Sacramento Inn to events. Both are active folk dancers in Sacramento.

The Statewide Committee has been working hard to provide you with a great weekend at a nominal cost.

See you there. "TELL A FRIEND"

Oscar Faoro, Chairman

The President's Message

THANK YOU

In the two years since this administration took office (two years, it doesn't seem possible) we have honestly tried to serve you well.

We have initiated changes which we believe will lead to continued growth and cooperation within our organization. After all, the most constant thing in life is change and we must be ready to adapt to these changes, be they personal, social or recreational.

I believe it is part of the territory, as Federation President to visit as many councils and groups as possible. I visited Federation member groups and non-member groups, and attended class sessions from Fresno to Santa Rosa, and San Jose to Sacramento- not on an ego trip, but rather to demonstrate that we of the Federation want to initiate further cooperation and support among the various preferences and attitudes of our dancing friends.

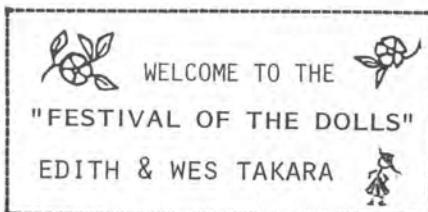

If we continue to listen to ALL of the voices within the Folk Dance movement, and earnestly weigh the comments in making our decisions, positive change will most certainly occur.

As we close the file on the efforts of this administration, I thank all of my fellow officers and committee people. Special thanks go to our office secretary, Genevieve Pereira and to August Korber for their immense contributions at our Federation Office. A special thank you also to June Horn, our "Let's Dance" editor. She has donated her time and talent in this rather difficult task.

I urge all dancers to encourage and support our new President, Oscar Faoro, and his administration as they take office. Remember, they are all volunteers, working for all of us.

The opportunities and experiences of the past two years have been very rewarding for me, and I Thank You for them.

Burt Scholin, Federation President

Polomka - Metovničanka - Kostenka (Serbia)

Polomka, Metovničanka and Kostenka (poh-LOHM-kah, meh-tohv-nee-CHAHN-kah, koh-STEN-kah) are from Donja Bela Reka in Northeast Serbia. This medley of three short dances was taught by Milica Ilijin and Desa Dordević at the Institute on Yugoslav Dance in Badija in 1972, and learned there by members of the Aman Folk Ensemble. Richard and Anne Rowland introduced it at the Aman Institute in Los Angeles in April, 1973, and Barry Glass later presented it at the 1973 Statewide Institute in San Diego.

RECORD: Aman LP-104 (33) Side A/5-6-7 2/4 meter

FORMATION: Belt hold, L hand over, mixed line. Face ctr.

It is not often that you can study under a master teacher that is not only knowledgeable in his subject matter, but has the uncanny ability to get the material across to the student in a way you grasp it the first time and hold it through to the end. Neal Sandler is one of those talented teachers with whom you enjoy learning the dance.

Neal has been active in International Folk Dancing for twenty-five years with an emphasis on Balkan rhythms, dance and folklore. Having attended or taught at most of our Western Folk Dance Camps, performed, choreographed or directed many of our performing groups, both in San Francisco and Los Angeles, and conducted a large number of seminars throughout the state, you can be assured you will profit greatly from attending the teacher training institute, June 9th, either as a student of the dance or a teacher wanting a new look at techniques and a closer look at a truly superlative master teacher.
